SANITIZER DISPENSING UNIT INSTALLATION PROJECT

13th November, 2020

IEEE Student Branch, Government Engineering College Barton Hill, Thiruvananthapuram was very much excited to know that **IEEE LINK** had chosen to lead a **Sanitizer Dispensing unit Installation Project** across Kerala Section in collaboration with the Student Branches with an aim of helping the different work areas to have automatic/mechanically worked hand sanitizers in their work environment, for keeping their representatives and customers from being tainted with Coronavirus.

Though initially, we relied on the designs provided by the IEEE LINK team, due to durability & other constraints, we developed our own design (with prior approval of coordinator) & made **two** foot operated (mechanical) and **two** automatic sanitizer dispensing units. Mechanical units cost more than the estimate provided by LINK team due to the same reason but the quality & durability of the product is assured.

Label designed specifically for the sanitizer dispensing units

Mechanical Unit

Automatic Unit

The units were distributed in various public offices in the city where people movement is comparatively high and so is the need of the dispenser unit.

PROJECT DISTRIBUTION

1. Directorate of Urban Affairs

IEEE ExCom members handing over a foot operated sanitizer dispenser unit to
Dr. Renu Raj IAS
(Director, Directorate of Urban Affairs, Government of Kerala)

2. State Bank of India, Nanthencode Branch

IEEE ExCom members handing over a foot operated sanitizer dispenser unit to
Mr. Midhun R J
(Manager, State Bank of India, Nanthencode Branch, Thiruvananthapuram)

3. Office of Assistant Commissioner of Police, Thiruvananthapuram City

IEEE ExCom members handing over an automatic sanitizer dispenser unit to
Mr. Santhosh Kumar
(Sub Inspector, Cantonment Police Station) on behalf of ACP

4. Agency for New and Renewable Energy Research and Technology (ANERT)

An automatic sanitizer dispenser unit being handed over to **Mr. P. Chandrasekharan** (General Manager, ANERT Thiruvananthapuram) on behalf of Amit Meena IAS (Director)

BUDGET DETAILS

SL. No.	Particulars	Quantity	Unit Cost	Amount (Rs.)	Bill Link
1	Mechanical Unit	2	773.5	1547	Click here
2	Automatic Unit	2	901	1802	Click here
3	Hand Sanitizer	4	250	1000	Click here
4	Printing Charges	1	50	50	Click here
TOTAL AMOUNT				Rs. 4399	

IEEE SB GECBH wishes to wholeheartedly express its gratitude to IEEE Kerala Section & IEEE LINK team for taking great efforts to lead this project state wide encouraging projects in almost all engineering colleges. We also assure our support to all the future initiatives.
